

Macedonia Palace Hotel 5 star

Thessaloniki
GREECE

The Makedonia Palace is located on the edge of the Thermaikos Gulf a few minutes walk from the Thessaloniki International Fair, the White Tower and close to the city's business and shopping district. The hotel is 10 km from Thessaloniki International Airport.

Accommodation

The hotel has a total 284 deluxe Guestrooms including 15 Junior Suites, 7 deluxe Suites and 2 Presidential Suites. The rooms show a delicate combination of Italian damask and modern design. The Presidential Suites have been furnished from the exclusive Ralph Lauren collection. Most rooms have balcony facing the sea or Alexander the Great Avenue.

Facilities & Services

Refreshments, pastries and snacks are available all day long in the Salonika Lounge, the perfect place for a casual meeting, located in the main lobby. The Symposium restaurant on the same floor and overlooking the sea is open for breakfast, lunch and dinner and is popular for its promotions and Sunday buffet. The Club bar in the spirit of elegance of London's exclusive clubs is ideal for a relaxing evening over a glass of vintage port. From the Corleone bar, located on the hotel 9th floor you can enjoy a breathtaking view of the Thermaikos Gulf, while sipping your favourite cocktail. Renowned as the one of the city's finest restaurants the Porphyra, on the hotel rooftop, has a sweeping view of the bay the harbour and the city. The atmosphere, the faultless service and the most exclusive dishes and wines will make an evening in the Porphyra an unforgettable event. Recreational facilities include 2 adult pools, a children's pool and a fully equipped fitness centre. On the sea front is a 3-mile jogging track.

Conference facilities

The Makedonia Palace offers a wide range of conference, meeting, congress and banqueting facilities up to 3,000 participants. The Aristotelis ballroom and terrace has a capacity of 1,000 people and can be divided in two sections. The Alexandras for 650 and the Amphitryon 220 both can be divided in two sections. The 7 break down rooms (from 20m² to 48 m²) add great flexibility to bigger events. The audio visual equipment includes: slide/overhead projector and screen, data screen projector, public address system, TV monitors/plasma screens, Video recorders/players, video conferencing, satellite links, simultaneous translation systems, stage scenery designing and wired or wireless voting system.
