A host of water sports are also available at the beach front.

Conference Facilities

The Rodos Palace is a prestigious meeting and incentive venue that combines the efficiency of a purpose-built International Convention Centre with the pleasures inherent to a deluxe Resort Hotel to create synergies. The experience borne of more than 1500 conferences, incentives and exhibitions held in Rodos Palace gives the assurance that the venue is capable of delivering what it promised. These have been the keys of success of World of Meeting Hospitality. The extremely flexible nature of the International Convention Centre has made it a point reference in the Mediterranean region as it offers 9000 sq m of meeting areas, pre-function and exhibition space within which, the halls, lounges and rooms can be used individually or combined. In terms of total combined capacity, the Center accommodates 4000 delegates, but versatility gains equal importance, since, whatever size of event you are planning, there is the just perfect venue for it among 20 distinct meeting rooms, ranging in capacity from 20-1300 persons, as well as 100 adjustable breakout rooms and hospitality suites.
